Hi Kerry,

A constituent brought the below email to our attention..... apparently PATH's shelter in Hollywood is in need of blankets/pillows.

Would you and/or Hollywood 4WRD have any ideas as to where they might be able to get extra supplies, since winter/El Nino is approaching?

Thanks,

Hi Dan, if PATH wanted to craft an "appeal" I'd be happy to send it not only to Hollywood 4WRD, but I am also part of an email network with Hollywood churches who could probably wrangle donations from members.

The one issue they might have is hygiene...wondering if they want things to be brand new? Let PATH put together the ask, and I am happy to put it out there.

Kerry

Good evening:

Last week volunteers cooked a hot meal and served the homeless at PATH Hollywood. It was a good experience for me but something alarmed me. .

As you probably know, PATH Hollywood houses @ 50 people, maybe more. I was taken aback by the lack of blankets and pillows on the beds. I asked the staff about it and they said that they are in desperate need as the weather is getting colder. Did you know that they get sheets and towels but they don't get blankets or pillows. I can go around and ask friends, etc. but that will take a while to round up and the weather is already changing. Perhaps you could arrange sending them blankets and pillows on a regular basis.

Thankfully, I know you are very involved with helping the homeless and thought you could quickly address the issue. The staff and homeless at path would be so appreciative. Please get back to me.

Thank you,
Sherry Modell, PhD
